Only registered persons may have a Covid test performed.
-> Each person must be registered!
The corresponding link is again in the email.

Adhere to spacing regulations while waiting in line.

- ① You will receive a number and a test kit.
- ② You perform a smear yourself under the supervision of a third party.
- ③ The test goes to the lab and you have to wait 15 minutes in the waiting area.
If there are no more free seats, you have to wait in the outside area.
Keep a distance of 1.5 m
- ④ If your number is displayed on the screen during check-out, your test is finished.
- ⑤ The test costs must be paid here. If the test is negative, you will receive an access band for the event area.
If the test is negative, you must pay the costs for the rapid test and the PCR test and then go to the pavilion to have a PCR swab performed.
